Men Who Cut Evans, Lewis and Vincent Caught,

WOUNDED RESTING EASY

Tankersley and Drake Did the Atrocious Work.

Mezars, Earl/W. Evans, Walter Vincent End Alfred Lewis, who were stabled at the home of Col. H. W. Lewis, 305 North Topeks avenue, by six young toughs While attending a Lawn social given by the young ladies of the Christian Endeavor society, were resting comparatively Weeks before Mr. Evans will be able to be taken to his home under the must fayorable circumstances: Mr. Vincent was Bill ut the home of Col. Lewis tast night. He will be taken to his home on the corter of Thirteefith and Lawrence probably tishay. Under the advice of his physician he was told to remain where he is until every vestige of the hemorrhage of the Orrhuge was a considerable one.

Afred Lewis' wound in the bank bled profusely and a hemorrhage was giving him considerable bother and pain. All under the wanthful cure of friends and

An Eagle rejetter called at the home and caused such excitement and strain

HOW THE FIGHT STARTED. Early in the evening six or eight of the stage boys who were mixed up in the stabling-Effray came and hang around the from fance on Fernick street. They first began by to king to a bolsterous manuer, making cut-cuts and otherwise trying to dissuperment of those excembled for all evening of pleasure. They kept this by for some time, when at last they and throwing small clods at those on the lawn. Then they exugit hold of the force on which were strung the Japanese binterns. They shook the rope to violently that some of the lights in the lantome their settons that Mr. Alfred Lewis. went out on the sidewalk to drive them edly by a number of both young ladies. and gentlement to desist prior to Mr. own sally on to the sidewalk. They look to their beels when Mr. Lewis started for them, filtery one thought they had. This was about 9 o'clock. They ad bean maising around for probably an r, apparently looking for trouble However, it was only a very few minutes

and other missiles. They shook the rope on which the lanterns were strong more, but will be up and around in a short time. Molently than ever and menaued those one of them, either Ed Drake or E4 and done the disturbing and later the eral at Washington. Tankersley, stepped to one side and full Ed. Drake. I im in inc took. A south ensued and he the privic rim, toward the abdomen,

Dr. H. J. Whittier,

blood. Mr. Evans said: "I've been cut." Who cut, or when he was cut, Mr. Vincent does not know. He went to Mr. Evans' nesistance. Some one had said: "Send for the police," and when the powas weak and his head was hanging on his shoulder. Mr. Vincent, who was intured, but tild not know it, helped him nto the house, where Mr. Evans was

While standing in the bedroom some one alled Mr. Vincents' amention to the zigmg cut of five or six inches which was in his cont sleeve. He pulled off his cont nd found that he had a very bad wound. There was some blood on Mr. Lewis' cuff, which one of the party discovered. He pulled off his coat and vest and his thirt was saturated with blood. He was inken to his room and put to bed. By that time Dr. Kirkwood and Dr. Purdue

taken to a bedroom and doctors were

HOW THEY WERE HURT. Dr. Purdue washed and dressed Mr. Evans' wounds. He had four, two pf them being serious and two nothing but abrasions of the epidermis on the back. thay just night at the home of Mr. Lewis. The wound in the side is probably the will of the perpectators of the foul and worst. The knife, which must have been Gastardly deed are now behind the bars on exceedingly keen one, started just of the city prison. It will be a least two above and behind the hip bone. It continued straight around for several inc and then turned downward toward the abdomen. The cut was fully three inches deep and came within a hair's breadth of penetrating the peritoneum. The wound in the back was on the left side near the twentleth vertebrae. It was a straight job and was at least three inches drep, being large enough for the index finger to penetrate to the knuckle. Dr. wound in his arm had stopped. The hem- Fardue dressed this wound. It was necessury for him to take many stitches in he wound in the side.
Dr. Kirkwood attended Mr. Lewis, He stolen.

found that the knife had struck him on the scapula, making a very ugly flesh wound. The bone stopped the blade from doing any particular damage. The other wound was about an inch to the right of of Consend Lewis yesterday afternoom to the first one. It was far more serious, see the years men, but so many of their The knife went into the fiesh up to the blit and made a gash about two inches tong. It cut the scapula artery and a that the dectors decided that no one muscle, Besides being very painful it is mather dangerous because of the homor-

rm. The knife struck him on the muscle the upper arm. It was drawn down-The cut was between five and six inches. As the cut started obliquely it made a ragued cut instead of a clean one as it

WHAT THE DOCTORS SAID. Dr. Purifue said that his patient, Mr. Evans, was doing nicely, and that he sight there would be no bad results. While two of the wounds, the one in the ack and the one in the side, were serious my were not fatal, fif the knife had ne toto the peritoneum the results ould have been much worse. The knife id not miss the peritoneum there than a marter of an Inch. With good care Mr. Evans will probably be out in two or three

Dr. Kirkwood said that he did not bethe separating of the muscles of Mr. Vincent's arm would necessarily cause it to be suff for the balance of his mioreseen results of a bad nature should develop Mr. Vincent would be out and when they returned and were worse than round in a faw days, but it will be quite while before he can use his arm. Mr. Lewis has a had wound in the back

HOW TOUGHS WERE CAUGHT. As Mr. Lewis had succeeded in drive the stabbles. Detective Cairns went to

The R. A would emusaed and he He started out to find him. He knew The history conversation will be at the started in the back, but he did that he went with a certain clique of home of Mrs. Priddy Monday at 3 p. m. test know that he had been cut for sev- boym, or rather that he did some few Rooks I cand II of the course. eral minutes afterwards, when he went months are, who had a cave in a yard futs the house. The follows had him up on North Main street. He went thece down on the walk when Mr. Evans saw and inspected the cave, but no one was a o'clock Monday morning at the church. his predictioned and ran to his assist- in it. of Oak and Fifth avenue. Daisy Bentley the officers say, has no permanent place

Ed Drake is about 16 years of age, that lice were mentioned the fellows left in a is what he claims, but he looks older, herry, going toward the east. Mr. Evans Fred Harris is not over 11, and may be younger. Ed Tankersley says he is only is and that he can prove it by the family Bible, but he looks to be three years older than he claims. Roy Hann is about while Daisy Bentley is probably 16.
 Butch Crawford resides at 134 North Fourth and is one of the older boys, being at least 15. George Peachim lives on the corner of Central and Fifth, and although not under arrest, will be held as a witness. The officers do not think that he had anything to do with the stabbing.

TANKERSLEY SERVED TIME. Ed Tankersley has already served two years in the reform school, having been sent from Wichita for stealing. He always has been a tough, even from infancy He comes from a notorious family of thieves. His father is now in the county jail for stealing a watch. The elder Tankersley has served two terms in the pentientiary, one for seven years. Both of his sentences have been given him for stealing or burgiary. It is known that the boy's ancestors were crooks of no mean pretensions in England. They belonged to the swell class of criminals and have done some big jobs. The boy is only following in their footsteps. He and Drake are the leaders of the young gang which now are under arrest.

HAVE BEEN MEAN BEFORE. It is thought that this same gang of oughs are the parties who played such havon while the camp meeting was in ession a few weeks ago in Riverside At that time men and women would go to where they had left their teams, and they would find that the barness had been cut in many places. Lup robes, whips and halters had also been

It is certain that they also visited the lawn social given a few weeks ago at Mrs. Decatur's on the corner of Law-rence and Second, and made themselves disagreeable. At the same kind of an affair given at Mrs. Colonel Loomis' a lew nights ago they threw clods, yelled and hallooed and carried on at a frightfu stole fruit from the trees and vines. DON'T SEEM TO CARE.

They were seen yesterday afternoon the city prison. Although they refused to talk about the affair Friday night, they did not seem to mind being incarcer They laughed and cut around the corridor as if they were having a jolly good time. Two of them were laying down and would not get up. These two were Drake and Tankersley. When asked what they were in for, one of the younger

"Nothin"." The younger ones will probably be s to the reform school, while the two elder boys may get a good long term in the They will be churged with assault with entent to kill.

FORMERLY MENANARA & CO The Business Sky is Clearing Our great and glorious victories have brought the war to an end and have greatly and permanently en-larged the area of the United States. This means an

increase of business; we must raise more, make more and sell more to meet the new conditions. This general activity means employment for all at good wages. This in turn means money to spend at the counters of merchants. This is why we say the business sky grows bright for the retailer who will offer the right goods at the right prices.

A Strictly all Right Offering

is this case of yard wide Percales, all new patterns in dark colors only. They are standard goods that retail regularly at roc. But for tomorrow we offer them at 6 1-2c a yard.

House Decorations

Should be demanding one's attention about this season of the year. No house is complete unless furnished neatly. Will you be needing new Carpets or Draperies, or in looking around don't you notice a bare spot where a Rug would make all the difference in the appearance of the room? Take a careful invoice of what's needed, then come and see us. We are sure of our being able to please you. New patterns in

Wiltons, Brussels, Axminsters. Three Plys, Mattings, Extra Superfines, Ingrains, Art Squares,

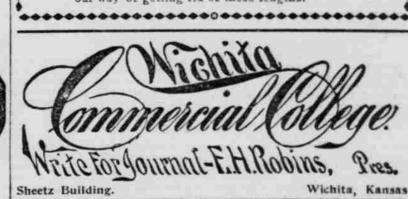

Moquettes, Lace Curtains, Tapestry Curtains, Chenille Curtains, Linoleum, Imperial Rugs, Amsterdam Rugs.

Complete new stocks of the above now ready for your inspection. They embrace many original effects in patterns and colorings.

Everything kept in stock that's needed by a modern upholsterer. Also Curtain Poles and Trimmings. Let us make estimates on your needs in this line, whether it is large or small.

A Great Remnant Sale ...:

Our annual September Remnant Sale is always held the first Friday in the month, so be on hand next Friday, September 2nd, when all short lengths throughout the house must be sold. Already over 1,500 Remnants have been measured up. You know our way of getting rid of these lengths.

In a few days this always up-to-date furniture store will receive a magnificent line of Reed and Rattan Furniture, and Furniture Novelties. When they arrive they will be the finest ever delivered in this city. We want people to talk about our low prices and will at once offer them as fast as customers call at prices that will create wonder and will add beauty and comfort to many homes hereabout. We believe in giving the best value for money spent, and will open our Fall campaign along that line.

Call and See Us

and learn how easy it is for us to supply your needs on the payment plan. You always find us ready with a welcome. Whether you wish to buy or only to look around, accept our invitation.
